Features and Benefits

28 PROFESSIONAL SERIES

These separate punch and bind units enable 2 users to create the fastest possible document finishing station. The ultra-high capacity EP28 enables fast punching of papers and the HB28 binding station is used separately for fast assembly of documents. Both units are built to withstand constant use in a production environment.

PERFORATOR EP28

A fully professional punch, the EP 28 electrically punches documents up to a working width of 42cm (A3 size). Adjustable punching depth. Punching capacity: 35 x 80gsm sheets per punch.

- Foot pedal for hands-free operation
- Margin depth adjuster (4 positions : 2 3 4 5 mm)
- Large capacity confetti drawer

BINDER HB28

For plastic comb bound documents. Ideal partner for the EP 28.

- Binds documents of up to 500 sheets
- Capacity: 320 binds per hour.
- Top quality construction for durability
